Enya's Favorite Mac & Cheese

FROM NELL'S KITCHEN

Mac and cheese is by far Enya's favourite meal. She usually reaches for the boxed version, so I wanted to make a simple homemade one for her.

Serves 6–8 · Prep 10 min · Cook 20 min

INGREDIENTS

- 1 tbsp butter
- 1.5 litres cooking cream
- 1 cup shredded Emmental
- 1 cup shredded cheddar
- ½ cup finely grated Parmesan
- 1 tbsp tartufata (truffle paste), optional
- Salt and freshly ground black pepper, to taste
- Salt and freshly ground black pepper, to taste
- 500 g elbow pasta

METHOD

1. Bring a large pot of salted water to the boil. Add the elbow pasta and cook according to the packet instructions until al dente. Reserve a little pasta water, then drain.
2. Meanwhile, melt the butter in a large, deep pan over medium heat. Pour in the cooking cream and bring to a gentle simmer. Cook, stirring occasionally, until it begins to thicken slightly.
3. Reduce the heat to low. Gradually add the Emmental, cheddar and Parmesan, stirring until melted and smooth. Avoid boiling the sauce once the cheese has been added.
4. Stir in the tartufata, if using. Taste and season with salt and pepper, remembering that the cheeses already add saltiness.
5. Add the drained pasta and stir gently until evenly coated. Cook over low heat for another minute or two, allowing the sauce to settle around the pasta.
6. Serve immediately while creamy and hot.

Tip

Grate the cheese yourself where possible. It usually melts more smoothly than pre-shredded cheese.
