INGREDIENTS

FOR THE BISCUIT BASE

- 100 g savoury salted biscuits or crackers
- 3 tbsp melted butter
- Ground black pepper, to taste

FOR THE CREAM CHEESE FILLING

- 200 g cream cheese
- 180 g goat cheese
- 2 tbsp finely chopped chives

FOR THE DICED SALMON

- 240 g smoked salmon fillet, such as Papa's, finely diced
- 1 tbsp finely chopped pickled ginger
- 1 tbsp sesame oil
- 1 tsp toasted sesame seeds
- 1 tbsp fresh lime juice

FOR THE TOPPING

- Extra smoked salmon, cut into ribbons *(optional)*
- 1 tbsp chopped fresh dill *(optional)*
- Thin lime slices, cut into small wedges *(optional)*
- Ground black pepper, to taste *(optional)*

METHOD

1. Crush the salted biscuits into fine crumbs. Mix with the melted butter and a little ground black pepper.
2. Divide the crumbs between small serving glasses, pressing down gently to form a base. Refrigerate while you prepare the fillings.
3. Beat the cream cheese and goat cheese together until smooth. Fold in the chopped chives.
4. Spoon or pipe the cheese filling over the biscuit bases, dividing it evenly between the glasses.
5. In a separate bowl, gently mix the diced smoked salmon with the pickled ginger, sesame oil, toasted sesame seeds and lime juice.
6. Spoon the salmon mixture over the cheese filling. Cover and refrigerate for at least 1 hour.
7. Just before serving, top each cup with a ribbon of smoked salmon, a little chopped dill, a small lime wedge and a light grinding of black pepper. Serve chilled with small spoons.

Tip

Press the base lightly. It should hold together while remaining easy to scoop with a spoon.
