Flourless Chocolate Oat Cookies

FROM NELL'S KITCHEN

Oats, creamy peanut butter, dark chocolate and pecans make these cookies rich, chewy and full of texture.

Makes Approximately 30 cookies · Prep 15 min · Cook 12 min

INGREDIENTS

- ½ cup butter, softened (approximately 115 g)
- 1 cup creamy peanut butter
- ½ cup white sugar
- ½ cup brown sugar
- 2 eggs
- 1 tsp vanilla essence
- 3 cups rolled oats
- 1½ tsp baking soda
- ½ cup chopped pecans
- 1 cup dark chocolate, roughly chopped

METHOD

1. Prepare the trays. Preheat the oven to 175°C. Line two baking trays with baking paper.
2. Cream the butter and sugars. Beat the softened butter, peanut butter, white sugar and brown sugar until creamy and well combined.
3. Add the eggs one at a time, beating after each addition, then mix in the vanilla.
4. Add the dry ingredients. In a separate bowl, combine the oats and baking soda. Stir into the peanut butter mixture, then fold in the chopped pecans and dark chocolate.
5. Shape the cookies. Scoop approximately 2 tablespoons of dough per cookie onto the prepared trays, leaving about 5 cm between them. Flatten each mound slightly.
6. Bake. Bake for approximately 10–12 minutes, until the edges are lightly golden and set. The centres should still look soft; they will firm up as they cool.
7. Cool. Leave the cookies on the baking tray for 10 minutes before carefully transferring to a wire rack. Repeat with the remaining dough.

Tip

Use rolled oats. They give the cookies their chewy texture; avoid steel-cut oats.
