Giant White Bean Salad

FROM NELL'S KITCHEN

Tender giant white beans, fresh coriander, onion and green chili come together in this simple Lebanese salad.

Serves 6 · Prep 10 min

INGREDIENTS

- 900 g giant white beans
- ½ cup extra-virgin olive oil
- ½ cup chopped onion
- ¼ cup chopped green chili pepper, adjusted to taste
- 50 g fresh coriander, chopped
- ¼ cup fresh lemon juice
- 1 tsp coarse sea salt, adjusted to taste
- Water, for boiling

METHOD

1. Cook the beans. Place the beans in a saucepan and cover generously with water. Bring to the boil and cook until tender but still holding their shape. Follow the preparation and cooking instructions for the beans you use; dried beans require soaking and a longer cooking time.
2. Drain. Remove the saucepan from the heat and drain the beans. Transfer to a large mixing bowl.
3. Dress off the heat. Add the chopped onion, green chili, coriander, lemon juice, olive oil and salt. Gently fold everything together, keeping the beans intact. Do not return to the heat.
4. Taste and adjust the seasoning. Transfer to a serving dish, spooning over all the dressing. Serve at room temperature, or refrigerate and enjoy chilled.

Tip

Cook only the beans. The onion, chili, coriander, lemon juice and olive oil are all added off the heat.
