My Easy Guacamole

FROM NELL'S KITCHEN

This one is for the love of avocados. Creamy avocado, juicy cherry tomatoes, a little coriander and lemon zest come together with Tajín for a tangy, gently spicy finish.

Serves 6–8 · Prep 10 min

INGREDIENTS

- 4 ripe avocados
- ½ cup cherry tomatoes, finely chopped
- 1 tbsp Tajín seasoning, adjusted to taste
- A few fresh coriander leaves, chopped
- Finely grated zest of 1 lemon
- A pinch of salt, if needed *(optional)*

METHOD

1. Halve the avocados, remove the stones and scoop the flesh into a bowl.
2. Mash with a fork to your preferred consistency, leaving a few small pieces for texture.
3. Gently fold in the chopped cherry tomatoes, Tajín, coriander and lemon zest.
4. Taste before adding salt, as Tajín already contains salt. Adjust the seasoning as needed.
5. Transfer to a serving bowl and serve immediately.

Tip

Choose ripe avocados. They should yield gently when pressed without feeling mushy.
